QUESTION & ANSWER

WHAT IS A FOOD AND BEVERAGE MINIMUM?

the food and beverage minimum is the least amount you are required to spend on any combination of food and beverage. this does not include the service charge (currently 25%). you may spend more on food and beverages for your event, but you may not spend less than the required minimum. should the food and beverage minimum not be met, the balance will be charged as a facility fee.

CAN I BRING MY OWN WINE?

you may supply your own wine for your event with a corresponding corkage fee. a corkage fee of \$50 (plus service fee) per 750ml bottle is applied. the corkage fee will not apply toward your food and beverage minimum. in addition, the wine supplied cannot be on the allison inn & spa wine list (including the jory wine list).

CAN I SUPPLY THE WEDDING CAKE THROUGH AN OUTSIDE VENDOR?

yes, you are welcome to provide a cake or desserts from an outside bakery if it is from a licensed bakery. there is a \$5 per person (plus service fee) cake cutting & plating charge.

IS AUDIO VISUAL EQUIPMENT INCLUDED?

audio/visual equipment is not included. a full range of state-of-the-art audio/visual equipment is available through our in-house team. should you require audio/visual equipment, our team will connect with you to discuss your needs and provide a current pricing list and custom quote.

HOW MUCH IS THE INITIAL DEPOSIT AND WHEN IS IT DUE?

the initial deposit is based on the percentage of the combined food and beverage minimum, venue rental fee, and guestrooms (if contracted). the deposit will be due upon signing and returning the agreement by the contracted due date.

QUESTION & ANSWER

HOW DOES ADDITIONAL BILLING WORK?

fourteen days prior to your event, 100% of the estimated master account will be due, less previously submitted deposits, which will be credited toward the overall event costs. should your event go over the amount pre-paid, our accounting department will charge the credit card on file the next business day after your event.

WHAT TIME IS CHECK-IN AND CHECK-OUT?

check-in time is 4 pm, check-out time is 11 am.

WHERE DOES THE WEDDING PARTY GET READY BEFORE THE WEDDING?

we are pleased to offer a complimentary deluxe king guestroom for the wedding couple for the night of the wedding when a room block has been contracted, however, a two-night minimum stay is required. this room may be used for the wedding party for preparations before the wedding.

WHAT ARE OPTIONS FOR GUEST PARKING?

complimentary valet parking and self-parking are available onsite at the hotel.

WHAT IF MY GUEST COUNT CHANGES?

at least seven days prior to your event, you will need to inform your catering manager of the guaranteed guest count for all food and beverage functions. in the event that you do not provide a guarantee of attendance, we will automatically use the anticipated number of guests provided by you to determine the charges for which you will be fully responsible.

DO I NEED A WEDDING PLANNER?

a full-service wedding planner is required to coordinate the event particulars of your wedding day. wedding planners must be approved in advance by your catering manager, and will go through an interview process, as well as provide proof of a business license and business insurance.

YOUR WEDDING COORDINATORS

YOUR WEDDING EVENTS MANAGER AT THE ALLISON WILL BE AVAILABLE TO ASSIST WITH DETAILS RELATING TO YOUR GUEST ROOM BLOCK ARRANGEMENTS, MENU SELECTIONS, EVENT SETUP, AND TIMING

the wedding events manager will be onsite the day of your wedding to ensure a flawless event.

we require that you also secure a full-service wedding coordinator to oversee your event planning and to be in attendance on the day of your wedding. please contact our preferred coordinators to learn more about their services:
